- Lamp OSRAM SIRIUS HRI 381W
- Ideal Cooling Operation,
- Low Noise
- Compact Design
- Light Weight

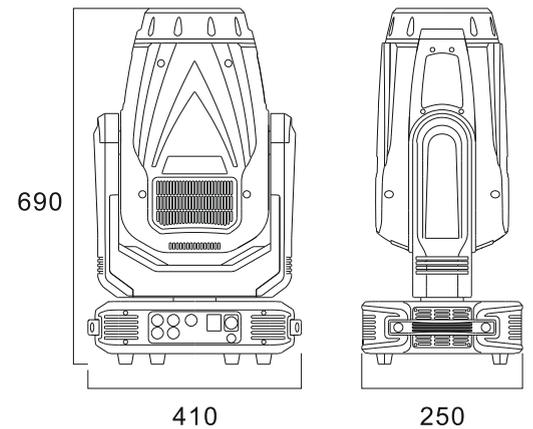

The HULK BSW 381W (CMY) is a 3 in 1 moving head light. It uses the OSRAM SIRIUS HRI 381W light source, which is a high performance smart pattern beam light; it adopts a high transmittance optical lens, and the beam is thick and strong. Two gobo discs, one of which is interchangeable and rotatable. The diameter of the rotatable gobo is 22mm. The large size LOGO film can engrave complex LOGO, which can be satisfied with the engraving of various complex LOGO; rotating prism disk 1: 8 prism, rotating prism Disk 2: 6 prisms, two disks can be superimposed, zoomable, and a variety of different prism effects can be derived. Products can be used in small and medium-sized performances, conference multi-function halls, entertainment bars, banquet halls, dining bars and other places.

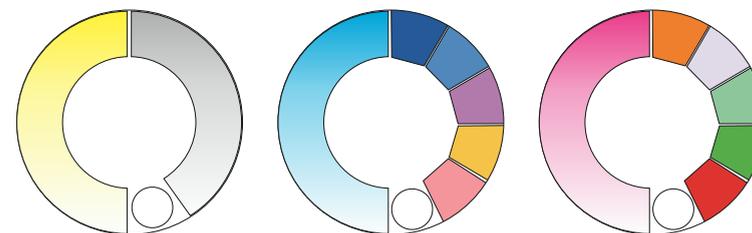

SPECIFICATION :

Channels mode : 21/25CH;
 Lamp: OSRAM SIRIUS HRI 381W;
 Beam angle : 2~50°;
 Dimmer : 0-100% linear adjustment ;
 Rotation gobo: 9 gobo+ white, changeable;
 Gobo size diameter: 14.9mm, image diameter:13mm;
 11 colors+white+CMY+CTO
 8 facet prism+ 6 linear prism, Frost function;
 Fixed gobo : 16 gobo + white.
 Display: 2.8 inch screen display, can reverse 180°;
 USB connector can set dmx address with power and upgrade the software.
 Power: 110-240V,50/60Hz;
 Total power: 470W;
 Pan: 540°; 8Bit/16Bit ;
 Tilt: 270°; 8Bit/16Bit ;
 Product size: 410x250x690 mm;
 Flycase: 930x520x910 mm;
 Carton box: 800x420x500mm;
 N.W: 25KG ;
 G.W: 28 KG(carton box)
